

## **EDUCATOR AND AUTHOR** ***DR. HATTIE N. WASHINGTON***

*Driven To Succeed: An Inspirational Memoir of Lessons Learned Through Faith, Family and Favor* is the first book written by Dr. Washington. In her new memoir, she reveals how a country girl, from Meherrin, Virginia, succeeded through life with optimism, drive and a belief in God in order to become an honor student, a teacher, a parent of two accomplished daughters (one is a physician & the other, an attorney), and a foster parent to many fine foster boys for over a twenty-year period.

She also discloses her personal sacrifices and accomplishments and gives us a wonderful and inspiring debut that bursts with wisdom, wit and love. Her faith and optimism shine through despite her elementary two-room schoolhouse closed in Prince Edward County, VA in 1959 due to desegregation, which led to *Brown v. Board of Education* landmark case. She (Aunt Hattie) shares the long journey she had starting a non-profit foster boys home that she affectionately named *Aunt Hattie's Place*.
