

***Father's Day*** is the time when everyone gets a chance to show their gratitude towards their father, husband, family member, or significant other. While gifts can be a good way to show your love towards them, the fathers day wishes are always the best way to express your precious feelings. Emotion and love are best expressed in words and what better way to pen down your feelings than just by saying, " I Love You". So from the bottom of my heart, I would like to express my best wishes and love to all of the wonderful dads and father figures.

*Love, Hattie*

**FATHER'S DAY** is a celebration honoring fathers and celebrating fatherhood, paternal bonds, and the influence of fathers in society. The tradition was said to be started from a memorial service held for a large group of men who died in a mining accident in Monongah,

West Virginia in 1907.<sup>1</sup> It was first proposed by Sonora Dodd of Spokane, Washington in 1909. It is currently celebrated in the United States annually on the third Sunday in June.
